

SPRING BREAK ART DAYS: SUPERHERO SUITS

Create your own superhero character! Design a superhero suit and share your superhero talents! First let's checkout some superhero artwork at Cranbrook Art Museum.

Artist Mark Newport creates knitted superhero costumes. Looking at *Flamer*, what do you think their super power is and why?

How would you feel if you put on *Flamer*? Would you feel like a superhero? What makes you feel that way?

Do you think the soft knit material makes this superhero costume different? What makes you think that?
